A Bit About Us

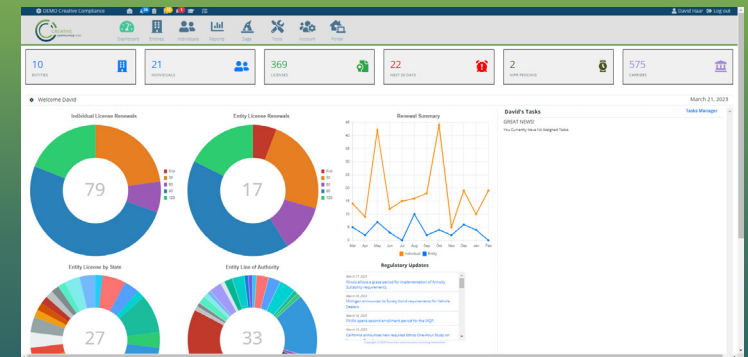

Expert Service. Great Software.

We help agencies of all sizes optimize their licensing, corporate filings, and compliance efforts. From Creative Compliance Hub, our incomparable licensing & compliance platform, to tailored licensing and entity management solutions that draw upon our legal, tax, and compliance expertise, we take the worry out of corporate compliance.

Supported by our Legal Compliance Practice Group, we deliver expertise unmatched by ordinary licensing and corporate services firms. Clients access cost-effective software and services for everyday needs, and sophisticated, customized solutions for more complex challenges, with just a single phone call.

This unrivaled combination of software and services reduces corporate compliance costs and drives short and long terms savings that drop straight to the bottom line. Backed by decades of experience, and our same day response to calls and emails, 3H Compliance Group is “the complete package” for discerning professionals that expect the very best.

- **20+ Years in business**
- **Global reach**
- **Outstanding levels of client retention**
- **Headquartered in Saratoga Springs, NY**

Built by and for entity and license managers, Creative Compliance Hub puts you in control 24/7.
